Shimaa ALShabaan

CYBERSECURITY INTERN CANDIDATE

I am passionate about various areas within cybersecurity, particularly network security, security architecture, and penetration testing. I am also committed to expand my expertise in app development, web development, and artificial intelligence, as I believe a strong foundation in these fields will enhance my ability to design and maintain secure digital environments.

Dear Bank / Company Name,

I am excited to apply for the **Cybersecurity/IT Intern** position at your company. I am confident that your guidance during this Co-op internship will greatly enhance my technical knowledge and professional growth.

I believe my skills and abilities in the following areas will contribute to your team's success:

- Designing and interpreting network topologies
- Working with command-line interfaces
- Applying cybersecurity principles and best practices

I would welcome the opportunity to further discuss how I can contribute to your organization. Please feel free to contact me at **+966 599987661** or **shimaaalshabaan75@gmail.com** to schedule an interview. My resume is enclosed for your review, and I look forward to hearing from you.

Sincerely,
Shimaa Al Shabaan
